

兔抗 PRKY 多克隆抗体

中文名称:	兔抗 PRKY 多克隆抗体
英文名称:	Anti-PRKY rabbit polyclonal antibody
别名:	PRKYP; PRKXP3
相关类别:	一抗
储存:	冷冻 (-20℃) 避光
宿主:	Rabbit
抗原:	PRKY
反应种属:	Human
标记物:	Unconjugate
克隆类型:	Unconjugate

技术规格

Background:	This gene is similar to the protein kinase, X-linked gene in the pseudoautosomal region of the X chromosome. The gene is classified as a transcribed pseudogene because it has lost a coding exon that results in all transcripts being candidates for nonsense-mediated decay (NMD) and unlikely to express a protein. Abnormal recombination between this gene and a related gene on chromosome X is a frequent cause of XX males and XY females.
Applications:	WB
Name of antibody:	PRKY
Immunogen:	Synthesized peptide derived from internal of human PRKY.
Full name:	protein kinase, Y-linked, pseudogene
Synonyms :	PRKYP; PRKXP3

SwissProt:	O43930
WB Predicted band size:	32 kDa
WB Positive control:	Jurkat cells lysate
WB Recommended dilution:	500-3000
